### About the Conference

The **Indian Chemical Engineering Congress (CHEMCON)**, which marks the Annual Session of the Indian Institute of Chemical Engineers, is the most important and popular event in the annals of the IICChE. Organized in the month of December, CHEMCON is a spectacle comprising multiple events including Memorial Lectures, Plenary Lectures, Seminars, Symposia, Panel Discussion, Exhibitions, etc.

This year, in the wake of the unrelenting Covid-19 crisis, IICChE has been compelled to depart from the customary format. Consequently, CHEMCON 2020 will be jointly organized by the IICChE Headquarters and IICChE-HRC on the digital platform during 27 – 29 December 2020. CHEMCON 2020 will feature the three signature Memorial Lectures, i.e., Dhirubhai Ambani Commemoration Celebration Lecture, Dr. H.L. Roy Memorial Lecture sponsored by Jacobs, Aker Powergas's Prof. N R Kamath and Mrs. Ruzena Kamath Memorial Lecture, Inventaa C K Murthy Memorial Lecture, on 27th December, 2020.

Continuing with the long tradition, the Memorial Lectures will be delivered by the who's who of academia, elite research establishments and the corporate world in the national and international arena. Dr. H. L. Roy Memorial Lecture will be delivered by Prof. Bala Subramaniam, University of Kansas USA, Aker Powergas's Prof. N. R. Kamath and Mrs. Ruzena Kamath Memorial Lecture by Dr. R.R. Sonde, Executive Vice President, Thermax Limited, and Inventaa C. K. Murthy Memorial Lecture by Prof. Debangsu Bhattacharyya, West Virginia University USA.
